

Open Letter to the Pagan Community

Moira Greyland, Jan. 2018

Dear Pagan Community,

I mentioned Isaac Bonewits in my book. I realize I have surprised you with my news about Isaac. Just so you know, I have direct knowledge of two other victims. I will not breach their confidentiality, but one is male and one is female. The female confronted him before he died. The male did not.

You should also know that my friend Jean witnessed Isaac asking my mother if he could have sex with me, as he had done years before, and she repeated her answer, as I related in my book. My aunt Diana admitted he was there in 1972 living in her basement, but claims he left before I arrived. No he had not left.

Worse, Diana sat with me on the concrete steps in front of Greyhaven a few years ago while I cried on her shoulder and told her what Isaac had done to me. Diana told me he had died a painful death, and she was furious. I had gone to pieces just because I saw his PICTURE. If you want to know more about my story, read my book.
